

Building Bridges to Global Markets

Connecting diverse businesses to international opportunities.

GLOBAL DIVERSITY EXPORT INITIATIVE

Building Bridges to Global Markets is a first-of-its-kind event series organized by the U.S. Commercial Service, as part of our Global Diversity Export Initiative. Designed to connect SMEs in underserved communities with global business opportunities, events will be taking place in major cities throughout the U.S., including Baltimore, Maryland!

About the Event

Building Bridges to Global Markets brings no-cost, in-person exporting expertise to your community. Addressing issues most common to diverse businesses seeking international sales expansion, **this event will introduce reliable contacts, accurate information, and ready-to-use resources that will place you firmly on the road to exporting success.**

Topics Include

- Trade finance & access to capital
- Exporting essentials and available resources
- Plus, you'll have the opportunity to meet individually with trade experts.
